

PFG Key Priorities

The PFG is a group of volunteers who are committed to working together as part of the Ashfield School community. The priorities of the group are to:

- Provide challenge and support on key matters of pupil achievement and progress
- Improve communication between home and school.
- To act as key stakeholders in the review and evaluation of new and existing school policy and practice.
- To work collaboratively alongside other key groups in the school community including the Governors, SLT, representatives of the school council and the parent body in order to improve the educational experience for all pupils.

The PFG meet termly to discuss school initiatives and any matters that are brought to the group's attention by the parent body. The minutes of their meetings are reported at full Governing Body meetings and reports of meetings are included in newsletters.

If you have something that you want to draw to the group's attention, you can contact the PFG by email at pfg@ashfield.herts.sch.uk or by putting a note in the PFG suggestions box located on the office just inside the wooden gates, or simply by contacting one of the representatives.

Current Membership (Academic Year 2017/18)
