Impact of Actions

- 100% of all children now regularly compete in competitive sport.
- The number of children participating in inter-school sport is up 8% from last year.
- PPG participation is now at 50% and SEN at 37%, an increase in both figures from last year.
- Fair play and good sportsmanship are well established in competitive sport.
- Children aspire to be sports leaders and have roles of responsibility within sport.
- Least active children target by offering them places at extra-curricular clubs to raise their levels of participation.
- The school is well placed to achieve Gold Sports mark by the end of the academic year.

Plans for Next Year's Sports Premium Allocation.

- Maintain and embed the practices we introduced in 2017/18 and ensure we maintain our gold Sports Mark
- Invest in training from specialist coaches to help further develop the quality teaching of dance and gymnastics.
- Track the impact of PE on children with low confidence, low self-esteem, shyness and lower levels of skills in games; and develop an action plan to target issues with this group
- Implement and sustain a minimum of 2.5 hours a week physical activity.
- Continue to grow the numbers of children involved in physical activities and inter school competitive sport.
- Increase the range of competitive sports in school.
- Develop links with external sports clubs to encourage children to take up new sports.
