Inspiring Today's Child for Tomorrow

Headteacher: Mrs. Carolyn Dalziel, BA(Hons), PGCE, NPQH

26th November 2018

Dear Parents/Carers,

Notification of change to INSET Day

Ashfield has been fortunate to secure funding for a very exciting initiative for the coming year. We have the opportunity to become a "Compass for Life" School. Ashfield will be closed for staff training (INSET) on **Monday 21st January**. This INSET day will be *instead* of the INSET day that we planned to hold on Monday 3rd June.

I am aware that this may cause some inconvenience to those of you who have children at both Merry Hill as well as Ashfield, so I am writing to you now to give you time to alter your child care arrangements if you need to. The two schools do try to keep term dates and INSET days the same, but this training opportunity is just too good to miss.

Floyd Woodrow, Managing Director and founder of Chrysalis Worldwide, will be providing the training. Following the INSET for staff, he will be returning to Ashfield on Monday 4th February to work with our children for the day.

To find out more about Floyd Woodrow and the Compass for Life Programme, please click on the link below.

Thank you for your understanding.

Best wishes,

Carolyn Dalziel
Headteacher
