

Open Classrooms

We would like to invite you to our Open Classroom Afternoon on Friday 22nd March. Our children are looking forward to greeting you and showing you their achievements and the lovely work they have done this term.

There will be two sessions. The morning session will run between 9.00 - 9.30am; and the afternoon session will run from 2.30 - 3.00pm. We can accommodate one parent at one session per child only please. Unfortunately we cannot accommodate siblings.

In order that we know which parents we are expecting at each session, please complete the reply slip with your preferred session (a.m. or p.m.) and return it to your child's class teacher. For parents of children in Year 4, we are limiting numbers to 15 at each session, therefore requests to attend a particular session will be on a first come, first served basis. This is essential if we are to avoid overcrowding. Parents will receive confirmation of the allocated session by the school office.

At the start of each session, the upper gates will be opened for parents of children in Years 3 and 4; and the lower gates for parents of children in Years 5 and 6. You can then go directly up to your child's classroom where the Class Teachers and Teaching Assistants will sign you in.

A reminder that it is not a time for a catch-up with the class teacher. We had Parents' Evening just before half term, but we do hope you will take the opportunity to look through your child's work with them and celebrate their achievements.

For those of you joining us for the afternoon session and who finish a bit earlier than 3.15pm, you will be able to take your child slightly earlier that day – otherwise the finish time of school will be 3.15pm as normal.

No child will be permitted to leave before 3.15pm without being properly signed out by the Ashfield Staff.

We look forward to seeing you on 22nd March.
