

For this week, we would like you to create your own Australian Aboriginal artwork. These artworks include patterns and bright colours, mostly painted in dots. You can use paints, colouring pencils or any other material to make your artwork from.

Your task is to use the accompanying sheet of symbols to create an artwork that tells a story. The symbols are combined to tell a story. Use your imagination. You can combine the symbols however you choose to. You then need to add colour to it.

These are some images showing the artwork of the Australian Aboriginals. This includes where they live, examples of their painting, on rocks, bark, paper and objects.
