

Good morning. We're back! Did you have a fantastic half-term? We most certainly hope so. It's now time for another week of fantastic learning. We are both looking forward to seeing you on Zoom this week. A reminder that live chat is open if you have any queries about your home learning. Make sure you are updating Go Read every day. Remember to keep active – Joe Wicks is live at 9am on a Monday, Wednesday and Friday and that the BBC is showing educational programs throughout the morning on CBBC. Finally, make sure you complete your maths homework tasks each week and that you complete your work tasks to a high standard. Have a great day!

On this day in history.

- In 1912 an aeroplane is first flown at over 100mph by J. Vedrines.
- In 1997 Dolly the sheep became the world's first cloned mammal.
- In 2010 a copy of "Action Comics #1" sold at auction for \$1 million dollars. The comic featured the introduction of Superman.

Maths

Today we are learning about converting measures.

The task is in the home learning folder on the school's website, and has today's date as its title.

If you would like some help with your learning then please watch the videos:

<https://www.youtube.com/watch?v=TjyqS2L6K7w>

<https://www.youtube.com/watch?v=kOJFSHBn9U>

Challenge:

- 1) Challenge Task 1 Worded Problems.
- 2) Write a set of rules for converting between g and kg and vice-versa. Make sure your instructions are clear and include examples.

Arithmetic – 5 A Day

Click on the link, select today's date and then select your difficulty. Bronze is the easiest.

You can then check your answers.

<https://corbettmathsprimary.com/5-a-day/>

Writing

For this week's Writing we are going to be looking at a new Talk for Writing workbook called One Chance by Dean Thompson

This can be located in the home learning page on the school's website.

Remember you only need to complete a section of the workbook each day.

For today's work we are going to look at pages 2-5 on the PDF. (Pages 1-4 on the workbook.) You can of course print this page to help you or work on paper or an exercise book.

Make sure you read all instructions clearly before completing the tasks in today's section.

Homework:

A new session of TT Rockstars has been set for you today. Do not forget your MyMaths task that is due by Thursday.

Reading

Reading Comprehension.

A Whale of a Tale

You need to read the text and answer the questions.

Remember to use your good reading strategies. Annotate the text, highlight and underline. Make sure you read the questions first so that you know what you are looking for in the text.

Challenge.

Can you read for 20 minutes without taking a break? At the end write a short summary in around 50 words about what you have read. You need to record the book title, author and the page numbers you have read.

Go Read – Remember you **MUST** be recording your reading daily.

SPAG

Spelling

Spelling rule – Unstressed Vowels

You need to click on the link below, watch the video and complete the tasks.

<https://classroom.thenational.academy/lessons/o-investigate-unstressed-vowels-in-polysyllabic-words-69gkcr>

Spelling Test:

Learn the following words for a spelling test on Friday:

breathe, early, heard, naughty, promise, thought, build, earth, heart, notice, purpose, through.

Don't forget to use look, say, cover, write, check to help you learn them. Make sure you practise them daily.

Science

In science we are going to be learning about the properties of materials. We are going to be learning how to classify and group them by referring their properties.

Materials and their properties

<p>Metals</p> <p>Strong</p> <p>Shiny</p> <p>Good electrical conductors</p> <p>The scissors are made from metal.</p>  	<p>Plastics</p> <p>Waterproof</p> <p>Transparent?</p> <p>Strong</p> <p>Plastic can be used to make toys, bags and bottles.</p>   	<p>Glass</p> <p>Transparent</p> <p>Thick glass = strong</p> <p>Windows and glasses are made from glass.</p>  
<p>Wood</p> <p>Strong</p> <p>The picnic table is made from wood.</p> 	<p>Fabrics</p> <p>Absorbent</p> <p>Flexible</p> <p>Good Heat Insulator</p> <p>Fabrics can be used to make clothes.</p>   	<p>Which is the strongest?</p> <p>Which is a good heat insulator?</p> <p>Can name some materials that are magnetic?</p>    

All instructions can be found on the task that you can find in the home learning folder. You need to make sure you check with an adult before completing the tasks and carry out your investigation.

Daily Challenge

Can you name the countries that these flags belong to?

2)

3)

Answers tomorrow.

Answers from Friday 12th February.

- 1) Kilimanjaro
- 2) Valley of the Kings

Have a great day!

Mrs Constantinou and Mr Hardy
