

Good Morning Year 3.

How are you all this morning?

We would just like to say how very proud of you all we are. We understand how difficult these weeks must have been.

We understand how difficult these weeks must have been. Make sure you are kind to yourself today - set realistic goals; be positive about the tasks you are completing and take time to properly rest and relax too. Remember that keeping active will keep you smiling. Hopefully you will also find time to fill somebody else's bucket with a smile, kind words or doing something thoughtful.

Have a super day!

- Making a jelly.
- Or anything else that you know how to do really well.

Please read carefully through the English slides in today's home learning. These will explain your task and give you some reminders of what to include when you write your set of instructions.

If you need some inspiration, there is also a set of instructions on the Year 3 WFH page that shows you how to plant a bulb. Take a look at them to get some ideas of how to present your instructions.

Tomorrow, you will have the opportunity to edit and top copy your work.
