

Good Morning Year 4! Friday at long last! We hope you have had a good week and that you relax to the max this weekend! You've all done a great job this week! Keep up the great work and don't forget to keep sending in your beautiful work!

Have a go at the challenge below! Find the value of the pictures!

$$39 = \text{Pikachu} + \text{Pikachu} + \text{Jigglypuff}$$

$$\text{Pikachu} - \text{Smug Cat} = 10$$

$$\text{Meowth} = 2 \times \text{Smug Cat}$$

$$\text{Jigglypuff} = \text{Pikachu}$$

$$\text{Pikachu} + \text{Meowth} + \text{Jigglypuff} - \text{Smug Cat} = ?$$

We would love to see the beautiful work you are completing. So please feel free to send your work to admin@ashfield.herts.sch.uk. We will also be looking at your work when you come back. Remember that it is important that you do your work on the day it is set. If you don't, you will fall behind and it is hard to catch up once this happens.

Extension

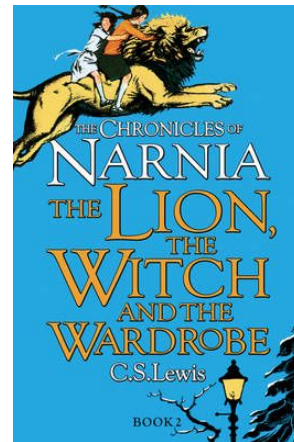

Some extension questions have been uploaded onto the school website! Have a go at them to really challenge yourself!

Reading

The Lion, the Witch and the Wardrobe.

Read Chapter 4.

Draw a picture of the 'Queen' and then write down key facts about her appearance and personality.

Reading for Pleasure

Read for 10 minutes to an adult at home!

Make sure that you use plenty of expression when you read to really bring the book to life! Remember to record your reading on the GoRead app.
