

The end of
a piece of
writing

What is a conclusion?

It repeats
the most
important
points

It sums up
the text

It may
provide a
final thought

What makes a Good Conclusion?

- **Don't add new details;**
- **repeat key information – but in different words;**
- **sum up your report;**
- **repeat anything important;**
- **provide a final thought about the topic.**
