

World Book Day 2021

Ashfield will be celebrating World Book Day with a week of wonderful activities when all children have returned to school on 8th March.

*We will be sharing stories, poems, graphic novels, picture books and information books from some of the world's best children's authors and our focus will be on encouraging our Ashfielders to engage with as many different authors, genres and text types as possible.

*Teachers have planned a range of fun activities and masterclasses for the children during their daily reading lessons.

*We will NOT be asking the children to dress up as a book character, but we will be asking them to share their favourite book characters in class discussions.

*All children will come home with a book token, which is valid until 28th March.

We look forward to a very 'happy reading' first week back!
