

## South West Herts Partnership

### Virtual Workshop

*Sam Ward our Family Worker will be holding a virtual drop in for parent/carers.*

*In this informal drop in, Sam will talk about **Screen Time**, how to manage it and keep safe.*

*You may find some of the advice and guidance very useful for **safeguarding your child online** on their consoles and/or mobile phones. This will include tips on keeping your child safe on **WhatsApp, video games, screen time, social media and cyber-bullying**.*

*This workshop is open to all parents at Ashfield Junior School.*

*In case you have not done an online workshop before, you do not have to speak, just listen. If you do have any questions or want to share experiences on what you are hearing, you can type this in the live chat and it can be addressed at the end, along with questions you have.*

*You can choose to have your camera on or off, but please mute your microphone during the workshop and find yourself a comfy spot for an hour.*
